

PECS Intensive Program Volunteer Application

This position can be filled by a teaching assistant, teacher, speech pathologist, psychologist, behaviour analyst, student or another person familiar with PECS that is interested in developing more experience (parents cannot work with their own child).

Volunteers are required to be at the Altona North clinic on the Sunday afternoon before the program begins, from 1:00pm to 4:00pm, to receive training from the Clinical Director.

Volunteers are required to be at the Intensive Program venue from 8:00am (one hour prior to start of day) until 4:00pm (one hour after the participants leave) to set up and clean up. Volunteers are encouraged to attend meetings but are not required to stay after 4:00pm.

Volunteers that are interested in the position will be responsible for their own accommodation and travel expenses.

Volunteers will be not be paid.
